Did the Xcel Energy incentive influence your buying decision?

- Yes No

IMPORTANT: Please include a copy of a dated sales receipt/invoice including the installation date, manufacturer, model number, serial number, size/capacity and efficiency. The invoice also must list the efficiency rating of the new equipment. Please complete one form per incentive. Only complete applications will be processed. Submit all requested information, sales receipts, invoices and required signatures to receive your incentive in 4-6 weeks. Equipment must be installed where natural gas is provided by Xcel Energy. (New customer construction only qualifies for in-floor heat and in-floor heat/water heating combination.)

Please detach and send completed incentive application to:

TERMS AND CONDITIONS

- Applications must be postmarked by Dec. 15, 2010.
- Both the application and a copy of the dated sales receipt must include complete dealer and equipment information including size/capacity, make, model number, serial number and efficiency rating.
- Failure to complete this information on the application and sales receipt will result in a denial of the application.
- No phone calls will be accepted to provide verification of required information.

Please note:

Incentive quantities are limited and qualifications and amounts are subject to change and may be canceled with 60 days notice. Installation of qualified equipment does not obligate Xcel Energy to pay an incentive. Incentive applications postmarked after Dec. 15, 2010, will not be accepted. Please allow 4-6 weeks for your incentive check to arrive.

Xcel Energy reserves the right to conduct random inspections to verify installation of the equipment at the address indicated on this form. If Xcel Energy selects your application for a random inspection, the incentive application will not be processed until the inspection has been satisfactorily completed. Inspections may be performed at Xcel Energy's discretion even after incentives have been paid.

2010 NATURAL GAS HIGH-EFFICIENCY INCENTIVE PROGRAM

SAVE WITH INCENTIVES FROM XCEL ENERGY

Residential natural gas customers in Wisconsin are eligible for incentives when buying qualifying high-efficiency furnaces, boilers, water heaters and programmable thermostats (with furnace upgrade).

The program is applicable only for the purchase of qualifying new natural gas furnaces, boilers and water heaters sold for installation replacement applications where the natural gas is supplied by Xcel Energy.

Upgrading efficiency from existing natural gas equipment qualifies for a \$100 incentive.

INCENTIVE DETAILS

(Effective Jan. 1, 2010)

Xcel Energy issues incentives in the form of checks – not utility bill credits. Xcel Energy is not responsible if your dealer provides you with inaccurate information about the amount and/or conditions of the actual incentive or equipment eligibility.

Equipment	Efficiency rating	Rebate
Natural Gas Furnace (upgrade)	95+% AFUE	\$100
Natural Gas Furnace (conversion)	95+% AFUE	\$200
